

Cookie Policy

Last change to Cookie Policy: 01/11/2024

This Cookie Policy relates to <https://webassistant.elavon.com/>

Cookies and trackers are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. Online trackers include, but are not limited to cookies, pixel tags, web beacons, clear GIFs, and other similar technologies such as local storage and the data layer. Information collected via online trackers is used for a variety of purposes, including to provide website content, improve a website's functionality, gather data on the user's browsing habits, customize user experience, and provide targeted ads.

By clicking on buttons or links to third party sites or services, you will be redirected to an external site, which has its own cookie and privacy policies over which we have no control.

We classify cookies in the following categories:

- Strictly Necessary Cookies
- Functional/Preference Cookies
- Performance/Analytics Cookies
- Targeting/Advertising Cookies
- Local Storage

This website uses only Strictly Necessary Cookies

Strictly Necessary Cookies

These cookies are essential in order to provide the website content and/or features.

These cookies do not gather information about you that could be used for marketing or remembering where you have been on the internet.

You can disable these cookies in your browser. However, please note that if you disable these cookies, you may not be able to access all or parts of our website or features.

Cookie List

Cookie	Description	Duration	Type	Category	First or Third Party
WA	The cookie is used to maintain the information for authenticated user and to keep the session consistent. The function of that cookie is to pass the session ID value between sequence of requests from user to the application.	Session	Session	Strictly necessary	First Party

Cookie Management

You can control how cookies are placed on your device from within your own browser.

If you wish to restrict or block the cookies which are set by this website, you may do this through the browser settings for each browser you use, on each computer or device you use to access the internet.

However, please be aware that some of our services may not function if your browser does not accept cookies.

You may wish to visit www.allaboutcookies.org which contains comprehensive information on how to do this on a wider variety of browsers including mobile internet browsers.
